Dear Teacher

Greetings! Namasthe! Aadab!!

We at PRAVINYA always feel that teaching is a very noble profession and the most important foundation for the society.

We are living in the digital age. All around us, children are observing and quietly learning from the audio-visual media namely phones, TVs, movies and others Thus Digital education is only an extension of the dramatic impact of the audio-visual education that children today are already exposed to.

English Language Teaching at School level has become a critical success factor for students. English is becoming the medium of instruction in schools as well as colleges. Therefore, focusing on developing English speaking and English comprehension in Secondary school onwards is most important. PLMS +p brings modules which are rich in their focus on grammar and general speaking skills. English Language modules have been enriched significantly by the addition of content developed Sujaya Foundation, Mumbai. Keeping in view, the importance of English Language Teaching, PRAVINYA brings you **368 Modules** and the following options this year. Some of the videos and Learning modules can be accessed directly within PLMS whereas for others you need to access O Labs. These details are mentioned in the [lesson-wise detailed index](#) provided to you in this document. Please refer to the “Source” in the lesson index.

Sujaya English Modules

Sujaya Foundation has created three types of English grammar modules– 1. Modules mapped to lessons in Telangana state text books for classes 3rd to 8th. 2. Grammar modules as per class-wise knowledge requirement from classes 1st to 8th and 3. Audio lessons which offer a very powerful method to teach verb patterns essential for construction of sentences in English. The mapped lessons can be used directly along with classroom teaching where as Grammar modules and Audio files can be used to supplement English language learning of students.

All modules are in an easy to use interactive and attractive style. To learn how to use Sujaya modules please refer to **PLMSplus p User Help Sujaya Ver 01**

PRAVINYA English Modules

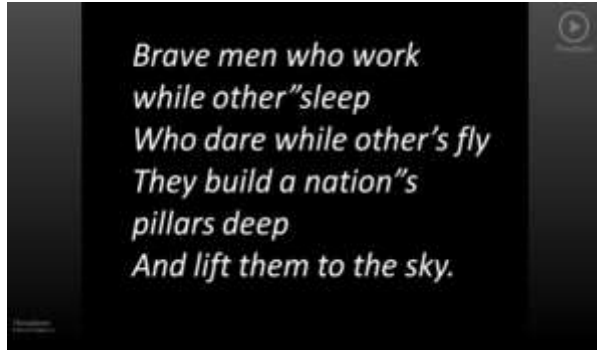

PRAVINYA English modules include those that are based on some speaking or listening activities. These help the students in understanding conversations and learning to form questions and sentences.

Students from rural areas are not exposed to daily conversations in English. To make their transition from Telugu into English easier, Spoken English modules provides sentences in English which have also been explained in Telugu. There are 30 modules classified into three levels. Starting with very basic sentences using action words, the course graduates into simple conversations, picture based descriptions. The script is provided in English as well as Telugu languages.

Some PRAVINYA modules focus exclusively on grammar. These have been created in a child friendly manner and will be particularly useful to all classes from 6th and 10th. All PRAVINYA English lessons can be used accessed through PLMS.

SCERT

Video lessons created by SCERT offer lectures with the help of graphics and some animation. Lectures are delivered by language matter experts. Therefore, students and teachers get the opportunity to hear the lecture and see the visuals provided for retention of the language skills.

A number of modules on grammar have been provided by SCERT. These will be particularly useful to classes 9th and 10th.

SCERT videos can be accessed directly from within PLMS.

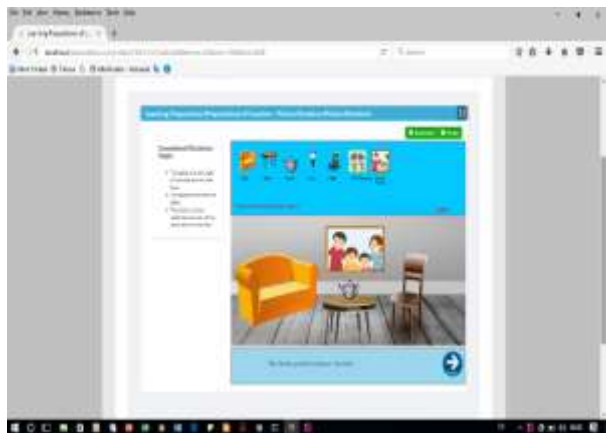

SIET lessons

SIET has developed videos using a class-room setting where a teacher conducts a class to students. The teacher conducts the class as per a lesson plan in an interactive manner. Further, interactions between the teacher and students create a rich learning experience.

SIET videos can be accessed directly from within PLMS.

OLabs

English language lab including Animations are provided in OLabs, which has been created by CDAC and Amritha University. These Lab activities are being provided by PRAVINYA based on an informal collaboration with C-DAC, Mumbai.

Students and teachers find OLabs to be a very useful teaching learning tool as it allows students to learn Language skills based on theory, increase knowledge of common errors and learn in an interactive manner. English grammar is covered in OLabs and students as well as teacher are sure to find these attractive tools for learning.

To access OLabs experiments, you need to access the OLabs application from within PLMS. To know more about OLabs modules, please refer to the **PLMS +p User Help - OLabs**

Teacher Tools

The approach to teaching English and the pedagogy have undergone significant changes over the last few years. In order to understand why such changes have occurred and how to effectively use the current methodology to improve English skills in students, please do watch the modules on Philosophical background developed by SIET and English experts.

Teacher Training Modules for digital teaching

PRAVINYA is very glad to present Teacher training modules for digital teaching. These modules are available subject wise. They contain areas such as Basics of Computers for teachers, Introduction to different types of digital classes, Method of creating Lesson plans by integrating Digital modules.

You can register for your own copy of the Teacher Training Modules at <http://www.pravinnya.net/new--teacher-training.html>

End Note

We have developed the English speaking and listening modules with a lot of thought and enthusiasm in the hope that students will find it an easy and joyful learning tool and teachers will find it a useful teaching tool. We have also included ToonMasti and Teacher tools to widen the available range.

More basic English material including grammar is available in the PLMS +p for lower classes. To know more about these, please refer to the **PLMS +p User Manual – English Primary**.

We sincerely hope that you find them helpful and enjoyable.
